Holiday Blessings

A gift may look ordinary but when given with love, becomes a treasure for a lifetime. Christmas reminds us of God's extraordinary gift of salvation and the eternal treasure we have in Jesus Christ.

Let us not forget to share this gift with our friends and neighbors during this time of the year when we remember His unspeakable gift!

“You can give without loving, but you can never love without giving. The great acts of love are done by those who are habitually performing small acts of kindness. We pardon to the extent that we love.”

- Victor Hugo

Unto us a Child is born, unto us a Son is given!

Giving Thanks

On Sabbath, November 18, our church family gathered to give thanks and share the blessings of fine food, friendship, and fellowship. The highlight of the evening was congratulating four couples on their milestone anniversaries!

Plenty of great food!

Plenty of fun and fellowship!

You, too, can do Evangelism

Does knocking on doors frighten you? Are you too timid to hand out literature? Are you afraid to share your faith?

All these fears can be addressed with ease. Join Pastor Rob on Sabbath, December 10, immediately following potluck to learn a method of evangelism that even the most timid of saints can participate in with ease.

Each of us can have a part in preparing for the upcoming evangelistic series: Revelation: Age of Elohim with Pastor Robert Edwards.

With the world in political upheaval and war across the globe, people across the country are looking to the future with fear and uncertainty. The Bible has predicted the future of humanity with 100% accuracy. Today, events mentioned in the prophetic book of Revelation are coming to pass. Discover what Revelation says about our world today and our future tomorrow.

Name the Newsletter!

We need a name for our church newsletter...the editors are not sure they like "horsetown tidings." Submit your ideas for a new name for our Norco Church newsletter to julieannroth@gmail.com by January 5, 2017. We will ask the Church Board to vote on ideas at the January Board Meeting.
