Norco Seventh-day Adventist Church

March 14, 2020

eBulletin edition

"Times, they are a changing . . ." World Health Organization announces that COVID-19 to be a pandemic. President Trump declares national emergency. Even our own Southeastern California Conference has issued a statement recommending that all Advent churches in our area suspend worship services for the next three Sabbaths. Pretty heavy stuff!

As Christians, we have a responsibility to care for each other and ourselves. So our Norco Church Board met Thursday evening (by telephone conference) and voted to not have in-house worship services or physical meetings for the rest of the month. These events have cost us dearly– La Sierra Academy had planned to worship with us tomorrow with a musical program involving their young people. We had planned a special Fellowship Dinner in their honor. But in order to limit the potential impact of COVID-19, we decided to care for all of our Church Family.

So, if perhaps you haven't heard this before -

1. Wash your hands using soap and water; and use sanitizer with at least 60% alcohol when washing hands is not possible.
2. Cover your mouth and nose when coughing or sneezing.
3. Maintain a safe distance a safe distance from others; avoid shaking hands, giving hugs.
4. Sanitize your living and work areas daily.
5. Stay at home if you are sick.
6. Seek medical treatment if you have any of the symptoms associated with COVID-19.

As a leadership team, we are here to serve our beloved church community. In particular, if you are one of the at-risk groups (older adults, persons with medical conditions, etc.) and need service such as rides to doctor appointments or any other service we can provide, please inform us by calling 707-492-9518. Again, we are here to serve you.

One of the ways we can stay connected is through our weekly Church Bulletin. This is the first e-Bulletin we will send to our Church Family and Friends each Friday.

Remember these tips: **Trust God**. To trust in the Lord amid trouble is to experience and bear witness to the power of God. **Pray**. We must pray for the sick and the scared, for public officials, for nurses and doctors. **Reflect Christ**. In these anxious days, the church can shine as a light of hope, care, faith, patience, and prudence, demonstrating for the world how our faith provides assurance against worry and fear.

"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body. . . Look at the birds of the air; they do not sow or reap or store away in barns, and yet your Heavenly Father feeds them. Are you not much more valuable then they? Can anyone of you by worrying add a single hour to your life?" **Matthew 6:25-27**
